This code of conduct is required of all students participating in FSA Robotics programs.

- All students must abide by the FPS Code of Conduct as well as the FSA Robotics Code of Conduct.
- Be a good representative of FSA Robotics to your school and community.
- Arrive on time and be prepared for each meeting.
- Leave all distractions such as electronics or toys at home.
- Treat others with respect at all times.
- Work together as a team using your team's Core Values.
- Try to participate in all activities - something that looks boring might surprise you!
- We are fortunate to have amazing equipment to use - treat it with respect and use it safely.
- Our school is kind to share their space. We clean our messes and leave the space better than we found it.
- Report situations to your parent, coach, or mentor that make you feel unsafe.

I understand that I am an important member of my team and will help my teammates to succeed. I will do my best to follow the Core Values and Code of Conduct at all times.
